Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner contacted Mr. Wong and Mr. Akhtar to explain that the case was in condition of allowance except that claims 15 and 28 which do not distinguish piping system from gaskets, flanges, etc which are typically constructed of a different material than the pipes. Mr. Wong asked that the examiner submit an examiner's amendment to insert "walls of" the auxiliary chamber and "walls of" the piping system. He stated that support can be seen on page 5 and is described on Fig. 1.
